about

Firstly, congratulations on your upcoming wedding! I am grateful you are considering to have Atelier Weddings as a part of your journey.

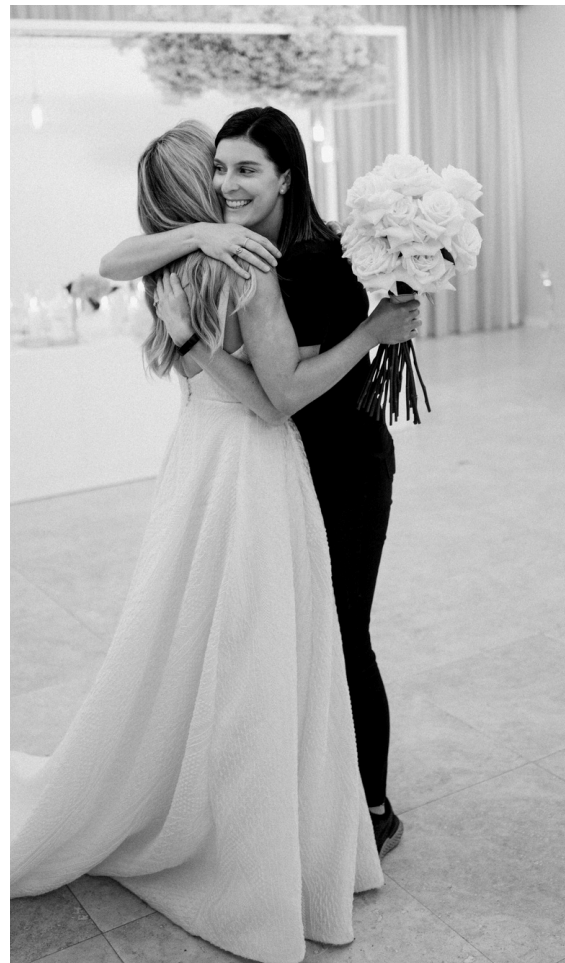

I have been in the wedding industry for five years and have been a part of hundreds of weddings.

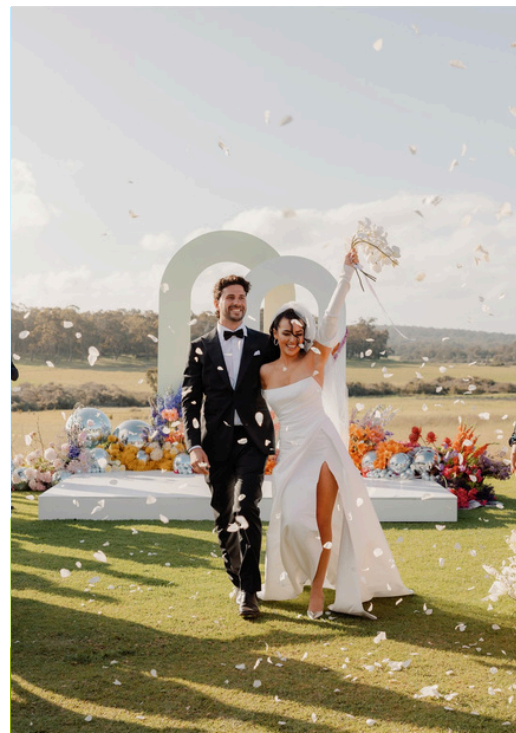

My passion is creating weddings from the ground up and something completely unique to **you** and a reflection of you as a couple.

This is the most exciting time in your lives and your wedding day will ultimately be one of your biggest memories, so let's ensure it's precise, considered and perfect through every detail.

Let's get planning!

Styling.

Got the planning and coordination covered? Perfect, let me ensure all your styling elements on the day are going to come together cohesively and every detail is thought out and executed exactly as you envisioned.

What you get:

- ✓ Unlimited phone & email support
- ✓ One in person meeting in Perth
- ✓ Styling concept
- ✓ Quotes, booking & coordinating the styling suppliers (*furniture, tableware, lighting, dance floor, on day stationery & candles/decor*)
- ✓ Quote comparisons so you can easily compare quotes from each supplier
- ✓ One site visit to the venue
- ✓ Creation of floor plan
- ✓ Styling & set up of your ceremony & reception
- ✓ Pack down the following day of ceremony & reception styling items

I usually only remain on site until the wedding ceremony (timeline & venue dependant)

What you don't get:

- *Midnight pack down*
- *Coordination of all wedding suppliers (e.g venue, catering, speeches, music, hair, makeup, etc)*
- *More than one meeting in person in Perth*
- *More than one site visit*
- *More than one complete styling concept & mood board change (small tweaks along the way are included)*
- *Attendance at your ceremony rehearsal*
- *Management & planning of your entire wedding including budgeting*

Perth from \$5,500

A minimum spend applies of \$8,000 on the florist of your choice + \$3,000 on hire furniture/styling.

****Please contact me for a personalised quote as each wedding is unique depending on the venue and your requirements.***
